2) HOSPITALITY

a) _____SNACKS, DRINKS, and MEALS

Traveling can be a wearing experience, and our artists are always thankful to have an assortment of healthy snacks, fruits and beverages available throughout the day(s) they are with you. For the concert please have 4 bottles of water available on stage. It is best to have water at room temperature. (Don't want to sound picky but it's supposed to be better for vocalists.)

We will eat most anything (especially Ben) and don't want to be demanding when it comes to food. Some suggestions for lunch would be sandwiches, soups and salads and for dinner a balanced meal (we love home cooking). We try to avoid fast food but will be thankful for whatever you provide. We would like to eat at least one hour before show.

b) _____ACCOMODATIONS

1. **HOST HOMES...** The artists prefer this option as a way to get to know people better and create new relationships on the road. We will normally be late leaving venue to go to these homes so make sure host families are aware of this. As we want to be social after show, please be respectful of artists needing to get some sleep as they usually have long travel days next day.

2. **HOTELS...** While we don't need the Hilton, we would prefer safe, clean hotels with hi-speed internet. Place us in places you would feel comfortable staying.

3) _____ MERCHANDISE

The following is needed for selling merchandise:

- i) ONE -8 foot table placed in well lit area near main entrance for merch sales
- ii) If possible table cloths(black is preferred)
- iii) Electrical outlets for credit card machines
- iv) ONE volunteer (Responsible and trusted) to run tables before , during, and after show

While sound is so important to the artist and their performance, we don't want to overwhelm you with requirements. Since this is an acoustic tour, most standard sound setups at churches or venues are adequate.
